

Asil Erturan *Full Stack Developer in Ottawa, ON*

<https://legu.dev> | gildedert@gmail.com | [\(438\) 401-9499](tel:(438)401-9499)

Experience

ARIV Inc. ~ 3 years
Full Stack Developer
Longueuil, QC

February 2023 – November 2024
May 2022 – August 2022
September 2021 – December 2021

Worked on both front end and back end to deliver 3 projects for clients.

Delivery Management System for a construction company: managing vehicles, suppliers, drivers and shifts, and billing

- Advanced drag and drop UI components for assigning shifts and calendar component

Reporting and Oversight System for a government agency overseeing street work non-profits

- In use by over a 100 non-profits across Québec
- Non-profits can create custom intervention charts for their employees
- Custom dashboard for managers
- Non-profits can create reports detailing their interventions over a period of time

SaaS Project Management Platform

- I bootstrapped application from start, set up CI and repositories
- Multi-tenancy with separate database instances on Azure, custom branding
- Created a service that automatically prepares databases (migration and seeding) for trial users
- Used GraphQL code generation and APIs
- Created advanced form software such as adding fields and requesting client information
- Integrated with external signature provider to allow clients to request document signatures
- Created business automation software similar to Microsoft Power Automate
